A Final Prez Sez

from President Ross Rampy

Fellow Cascade Porsche Pushers,

This will be my last Prez Sez as I'm stepping down as President on December 31, 2018. As many of you know, I've been President for over 6 years and it's time for someone else to put their footprint on the club. I have enjoyed, and will treasure all of the drives and events but more importantly, all the friendships that we made over the last 9 years that I've been a member of the club. I want to thank all of the previous Board members who I've had the privilege to serve with, and without you, I couldn't have done my job. Our club is full of fun and vibrant members and we will still continue to enjoy each other's company. Thank you for all of your support over the years.

Now for the other news: the rest of the Board is also stepping down, so in January there will be a completely new board to lead our region. I want to thank these individuals for taking on their positions and I know that they will all do a tremendous job for the region.

So, let me introduce your **New Board:**

President - Arne Berglund

Vice President - Greg Dino

Secretary - Rick Ohlson

Treasurer - John Thompson

Membership Chair - John Crisalli

Central Chapter Rep - Gary Proefke

Southern Chapter Rep - (open)

You may notice one common element of this new board and that is that they all are from the Central Chapter. That leaves us with one position which needs to be filled, which is Southern Chapter Rep. This person(s) will be responsible for organizing events and drives. If you would like more information about this position, call me at 541.840.8690. I'll be more than happy to talk to you.

Again, thanks to everybody for 6 great years!

Ross Rampy

Treffen Banff

September 12-15 2018

Southern chapter's David McGlooin relates an excellent adventure they had at the PCA Treffen event in Banff, Alberta Canada

What do members David and Ann McGlooin do after Ann picks up her new Carrera White Metallic Macan S? They promptly put over 2200 miles on the odometer, driving from Grants Pass to Banff, Alberta, Canada to attend Treffen 2018. Once there they met up with fellow Cascade Porsche club members Bill and Carolyn Kohn, who apparently also decided that their Porsche had too few miles on it. While the weather was more like late fall with rain or snow every day, that didn't distract from the beauty of the Canadian Rockies or slow down the event attendees, nearly 300 of us.

The host hotel was the famous Fairmont Banff Springs, also referred to as "The Castle." The Wild Rose Region did a fabulous job of planning and leading several unique drives through the mountains to take in the beauty and to have a bite to eat. For safety the drive to Jasper National Park and the famous Icefield Parkway was conducted by bus, however; and on the first day the bus only made it by following a snowplow up the road! Each night was a themed dinner and the entertainment was fantastic – from Canadian Mountain Police comedians to a young group of amazing fiddlers that got everybody clapping their hands.

This was our first Treffen and we thoroughly enjoyed the entire experience. Oh, and Ann did all the driving!

Next year's Spring & Fall Treffen and Parade locations were announced on the final evening:

Spring Treffen will be held in Santa Barbara, CA, at the Hilton Beachfront Resort; 3-6 April

2019 Porsche Parade to take place in
